

# tópico

(1) parte, subdivisão, item, ponto > origem / parte do todo / ponto de partida / isolamento e repetição / combinação (2) questão, objeto, tema, matéria, tônica, temática, argumento > cobrir / colar / agregar matéria, motivo (3) exterior, externo > superfície continente / dentro pra fora (4) correção, corretivo, saída, solução, remédio, cura > possibilidades (5) generalidades, rudimentos > expandir / procriar (6) suelto, vária > um ou mais (7) clichê, chavão, lugar-comum, banalidade > princípio / reprodução (8) comentário, rema > discutir / continuar

**tópico** é uma parceria com origem na arquitetura, expansão para o design e aplicação sobre superfícies. julia masagão é formada em arquitetura (são paulo), especializada em estratégias de espaço (berlin) e trabalha com design gráfico. valentina soares é formada também em arquitetura (são paulo), especializada em criação de moda (paris) e trabalha com investigação e produção de indumentária.

desde 2013 os ladrilhos hidráulicos tópico são produzidos exclusivamente pela dallepiage.
